

<In which country Iron Maiden is listened the most?>

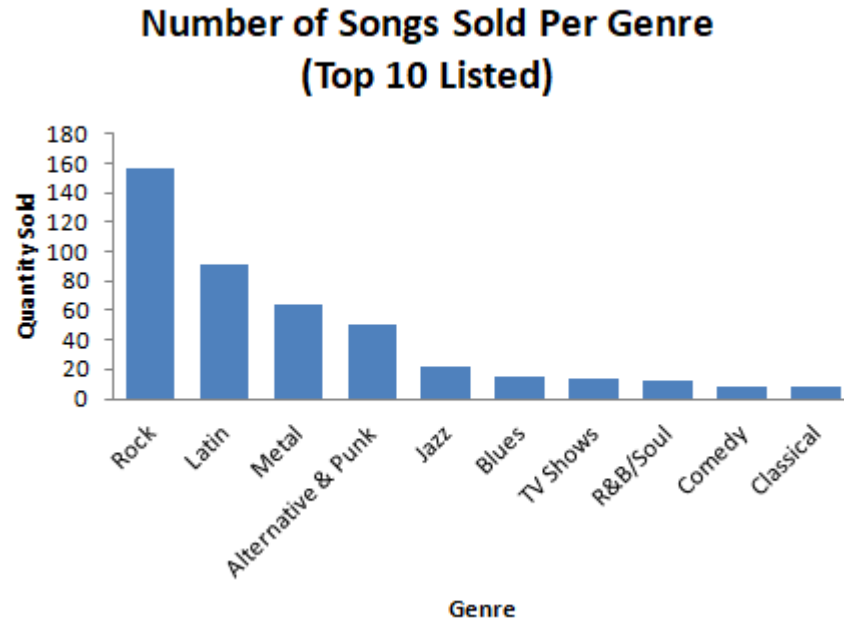

After a success in the concert, Iron Maiden approached us for a partnership, asking for some analysis in preparation of a new album.

34 songs of Iron Maiden's are sold by customers in USA, which is the most.

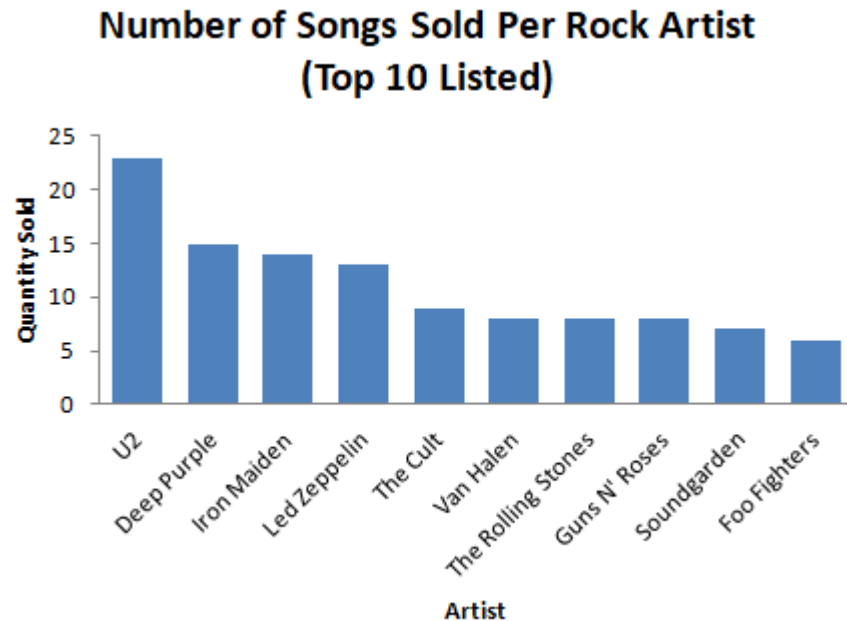

Customers in Australia purchased 18 songs, which is the second best, followed by Portugal (16) and Germany (14).

< What genres are the Top 10 most listened among customers in USA? >

Rock sold the most by US customers ; 157 songs, followed by Latin (91) and Metal (64).

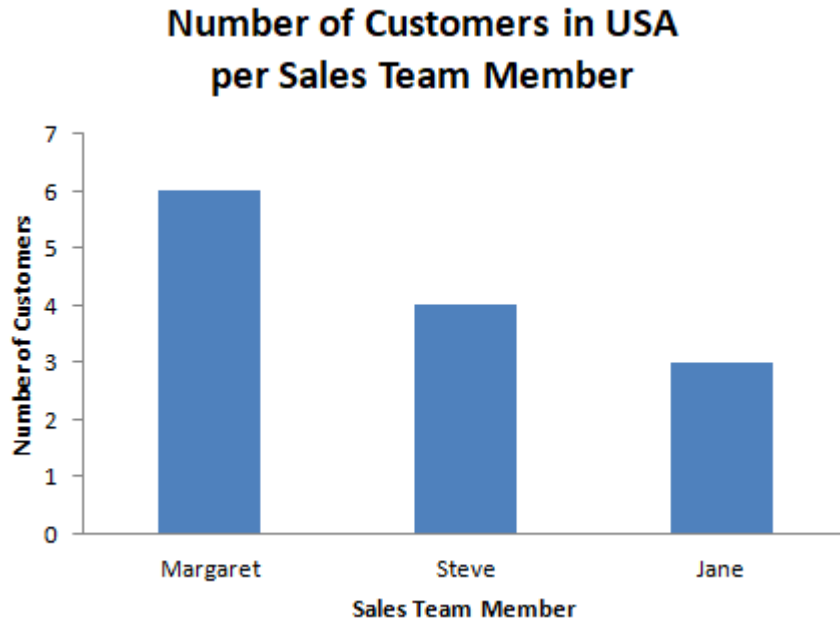

< Which rock artists are top 10 listened among customers in USA?>

In USA, U2 is the most listened with 23 songs sold.

Iron Maiden is third with 14 songs sold, close to Deep Purple (2nd, 15 song) and Led Zeppelin (4th, 13 songs)

<Which employee in sales team has the most accounts in USA?>

Iron Maiden needs our help on doing some marketing campaign in US along with a new album launch.

Margaret from our sales team can lead the project as she has highest number of (6) accounts in USA, to be assisted by Steven and Jane.
